DECISION ON PETITION TO

WITHDRAW HOLDING OF

ABANDONMENT UNDER 37 CFR

§1.181

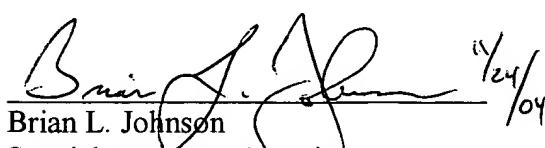

This is a decision on the petition to withdraw the holding of abandonment, under 37 CFR §1.181, filed on May 25, 2004.

The instant application became abandoned for failure to timely respond to the Office action mailed August 27, 2003. A notice of abandonment was mailed on April 16, 2004. A grantable petition must include a copy of the response and proof of timely filing of the response. A stamped post card receipt with an indication of the documents filed therewith is acceptable. No fee is required.

Petitioner has provided evidence in the petition that includes: a copy of the response; a petition request for a one month (\$110) extension of time under 37 CFR §1.136(a); and a post card receipt identifying the contents of the response, which includes a USPTO receipt date of October 27, 2004.

Since all of the criteria set forth above have been met, the petition is GRANTED. The Notice of Abandonment is hereby WITHDRAWN.

The application is being forwarded to the Supervisory Legal Instruments Examiner with instructions to enter the response (copy filed May 25, 2004). The application will then be forwarded to the examiner for prompt action on the merits. Note, the fee for the 1-month extension of time has previously been charged against the indicated deposit account.
